

Riley Lee & Cliona Molins

Autumn Concert

Sunday 27 March 2PM

.....

New Church
4 Shirley Road, Roseville

.....

Riley Lee (shakuhachi) and Cliona Molins (harp) create a meditative atmosphere of introspection and calm with classic Irish and original melodies.

This year marks the 10-year anniversary of Riley and Cliona performing together. Their music combines the intimate knowledge of two old instruments from very distinct cultural backgrounds (Japan and Ireland). While influenced by classical and world music, their original compositions are inspired by themes of water, seasons, and rebirth in nature.

There will be a short interval of 15 mins where light refreshments will be available.
