The Australian Shakuhachi Society presents a rare gathering of leading Japanese and Australian performers of the shakuhachi - the evocative Japanese bamboo flute.

Hear traditional solo repertoire, ensemble music and contemporary works brought to life by Teruo Furuya, Kazushi Matama, and Kaoru Kakizakai from Japan, together with Riley Lee, Bronwyn Kirkpatrick and Lindsay Dugan from Australia.

They will be joined by special guest Satsuki Odamura, performing on koto.

Spanning centuries of tradition and the living possibilities of the instrument today, this concert offers a unique opportunity to experience the depth, power and subtle beauty of Japanese music in the hands of some of its foremost performers.

Presented as part of the Australian Shakuhachi Festival 2026, held in Maroochydore from 3–6 September.
